

Pit Guards

Strong and safe, Ultra Pit Guards can be designed for a wide variety of potentially dangerous areas. Easy to install, side or floor mounts, allow the fully assembled sections of handrail and toe plate to be temporarily removed for access to the protected areas.

Self closing and lockable swing gates are also available. Ultra pit guards are available in standard and heavy duty designs.

Ultra Fiberglass Systems is a premier, full service fabricator of fiberglass platforms, ladders, handrail, grating and open stock fiberglass structurals. Call Ultra today for further information and design assistance.
