

Pulp and Paper Mills

Fiberglass -- The Perfect Solution for Pulp and Paper Processing Environments!

Ultra Fiberglass' machine access platforms, step ups, and walkovers provide a safe, comfortable, and efficient space for workers to stand. Fiberglass grating is easy to maintain with spray down clean up and does not collect water. Use it in floor draining systems to spot problems or eliminate clogs quickly – making maintenance a breeze.

- Non-Conductive
 - Both Heat & Electric
- Maintenance Free
- Long Life - Excellent ROI
- Easy Installation
- Light Weight
- High Strength
- Corrosion Resistant
- Safety Yellow Color
- Fire Retardant
- Exceeds OSHA Standards

Let Ultra Fiberglass Systems design and build the solution to meet your needs. Quality craftsmanship and attention to detail go into every job. Contact us today to quote your next project.
