

# Aquatic Applications

Ultra Fiberglass structures for aquatic applications include a wide variety of solutions including grating, steps, stairways, tank access platforms, walkovers – all designed with employee safety in mind. Anti-slip grit surfaces help keep employees safe from slipping. Other items include pump or filter stands, trench covers, tank ladders or staircases that fit in tight spaces.

- Employee Safe Anti-Slip Grit Surfaces
- Maintenance Free & Light Weight
- Easy Installation, No Cranes or Welding
- Custom Tank Access Platforms
- Reduces Bacterial Contamination
- No Rust or Corrosion
- Replaces Aging Metal Structures
- Exceeds OSHA & IBC Standards
